

# Help 5<sup>th</sup> Bridge pack 350,000 meals for starving children across the globe!

## Sponsorship

5<sup>th</sup> Bridge is very excited to bring back to Northfield (for the fifth year!) a compelling, enriching and meaningful community volunteer event. By hosting Feed My Starving Children's mobile meal-packing unit, we're inviting local volunteers to make a significant contribution toward solving world hunger. In order to remove any financial barriers that might restrict volunteer participation, we're seeking sponsorship support.

Please consider a **leadership gift of \$1,000 to support this event**, which for many people, has been life changing. A gift at this level will help a team of volunteers pack 4,166 meals and 100% of your gift will be directed to Feed My Starving Children to pay for the cost of the raw materials.

It takes an engaged and caring community to achieve the tremendous impact we aspire to make and we sincerely appreciate any amount of financial support you're able to offer.
